New Layout

New Layout:

After 2.5 years of the same format, I've decided to change it up a bit. This is quite a drastic difference in my opinion and I'm not sure I am going to keep it. What do you think?!

Groovy WIP

Groovy WIP:

Here is my latest piece of art. I would say this is about 75% complete. I have started to add in the secondary colors with the intent to make it bright and psychedelic. A friend of mine suggested that I lose the eyeball painting to the right, what do you think? A close-up of the WIP is here: <http://www.joebartz.com/WIP.htm>

Inside the Studio

What's inside the studio?

Here is a picture of my studio. My studio consists of a spare bedroom. It has 2 desks, an art computer, TV, bookcase, file cabinet, 5 easels, art cabinet, and countless unfinished and plain canvases.

Future Newsletters

Future Newsletters:

Starting now, the JoeBartz.com monthly newsletter will now be issued quarterly. I just don't have enough art material to issue a quality newsletter every month. If something comes up or a painting completes in-between newsletters, I will be sure to update everyone!
